HELP

We are passing on a message we have received. " I am working with the UN in Timor Leste as a senior advisor. I would like to know if you could put up a posting for someone who is either French or very fluent with good accent to come to Timor for maybe a month. Could teach at a near by school (give French lessons if they wanted); but live at our house. I would want someone from Monday thru Friday in the house between 5 and 7:30 PM . Thank you Yvonne Lodico [ylodico@yahoo.com] «
